Move to SAP S/4HANA with KELLTON TECH
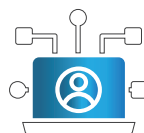

The SAP HANA platform covers mission-critical business processes across various lines of business such as finance, sales, service, marketing, commerce, manufacturing, supply chain, R&D, and human resources. Built on the SAP HANA platform, SAP S/4HANA is the revolutionary business suite designed for the digital economy. Enterprises with SAP S/4HANA as their digital core can digitize end-to-end operations across the four pillars of digital transformation:

ASSETS

Predictive analytics for complex IoT data streams in field service improves decision-making.
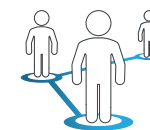

CUSTOMER EXPERIENCE

The SAP CX platform provides a superior, personalized, omnichannel customer experience.

SUPPLIER COLLABORATION

The Ariba Network enables smooth customer and supplier collaboration.

WORKFORCE ENGAGEMENT

With Success Factors and SAP Human Capital Management integration, businesses can simplify HR processes.

The Digital Future is Now

Our client-centric philosophy and commitment to service excellence enable our clients to succeed in today's digital economy. As early adopters of SAP S/4HANA, we have completed multiple successful SAP S/4HANA projects and have a long history of SAP ECC projects. Our team has the proven experience and expertise to help you plan and execute that critical next step forward.

As your trusted SAP S/4HANA partner, our team has met the rigorous requirements necessary to attain the highest level of SAP certifications.

SAP Gold Partner

SAP® Certified
Partner Center of Expertise

The Kellton Tech Approach

Kellton Tech follows a unique four step process—Align, Evaluate, Plan, and Execute—for successful and smooth migration to SAP S/4HANA. Starting from the first interaction to the successful go-live and beyond, our team delivers a closely coordinated action plan to ensure a zero-defect, zero-risk migration to SAP S/4HANA.

Execute
Your success is our success. We celebrate your successful transformation to SAP S/4HANA and beyond.

Plan
We will deliver a comprehensive, highly detailed migration plan to enable zero-risk and zero-defect upgrade to SAP S/4HAANA.

Evaluate
We will asses your current SAP enviroment and help you to develop the optimal plan for progression.

Align
Our SAP S/4HANA experts will meet with your key team members, to ensure everyone is aligned with project needs.

Your Vision is Our Priority

At Kellton Tech, we don't believe in one size fits all. We help clients identify the ideal paths for their SAP S/4HANA migration, whether that includes migrating to the cloud, converting an existing instance to SAP S/4HANA, or migrating to a fresh SAP S/4HANA environment. There can be more than one path forward. We will help you define the best approach to maximize your ROI with SAP S/4HANA.
