

Remain at the Forefront of Innovation & Personalization with an SAP Commerce Upgrade

As an SAP Partner with over a decade of commerce expertise, Kellton has the technical knowledge and cutting-edge capabilities to quickly upgrade your SAP Commerce Platform. We help you unlock and leverage the new, out-of-the-box functionalities, empowering you to consistently deliver on your brand promise and build customer trust, optimizing customer engagement across every touchpoint.

Benefit from the New SAP Commerce (Hybris) Enhancements

Deliver Personalized Experiences to Lead in the Next E-Commerce Disruption

- Simplify e-commerce setup, increase efficiency, and reduce costs with a unified digital platform
- Deliver personalization to increase conversions and drive customer engagements
- Streamline end-to-end processes, including experience management, product content, and promotions, to boost agility and accelerate time-to-value
- Achieve seamless integration with core SAP business systems using components natively embedded into the platform

Kellton's Upgrade Approach

Our fixed-price upgrade approach begins with an assessment of your current system and e-commerce initiatives to determine the SAP Commerce version that best aligns with your growth plan. Our SAP Commerce experts will work with you to ensure a seamless, successful upgrade with minimal business disruption.

Kellton's Commitment to Success

Our fixed-price upgrade approach consists of three phases, empowering you to take full advantage of the new functionality and accelerate business value
